

Hello Parents,

Many of you have shared your interest in having an intramural sports program here at YPA for our K-5 through 5th grade students. I am currently organizing this program and I am looking for students who would be interested in playing Flag Football, Volleyball, or Cheerleading for the Fall. We will host all intramural events on Saturdays so we will not interfere with school sports during the week. The cost for each individual participant will be \$55 per sport. This fee will cover uniforms, referee's, and other cost associated with the program. In order to start the program, I need to get an idea of how many students will participate. Please fill out this form and send it back along with payment to your child's teacher no later than Friday, September 10th. If you have any questions please feel free to e-mail or call me and I will be glad you answer your questions.

We will also be needing volunteers to coach. There will another letter headed your way soon with more details for those of you who are interested.

Thank you all and I look forward to hearing from you!

Coach Mitcham
