Dear YPA Family,

We hope that each of you has found this school year to be one filled with excitement and adventure as we made these first steps together to establish York Preparatory Academy as a shining example of the charter school system.

It is now time for each of us to look forward to the 2011-2012 Academic Year and finalize our plans. We are asking that a re-enrollment form be completed for each child returning to York Preparatory Academy to allow us to update contact information and plan for classroom assignments. These forms must be returned to the school office no later than **May 6th** to insure your child's continued placement.

Please insure that all information requested on the re-enrollment form is provided and that a form is completed for each child who will continue at York Prep. A completed form is required for each child even if no information has changed. Thank you for your attention to this matter and your continued support of York Preparatory Academy.

We look forward to an amazing second year with greater opportunity for growth and continued excellence.

Warmest Regards,

Dr. Corey Helgesen
Managing Director
